**Career Opportunity: Coating and Conversion Operatives**

**Salary guide: £9.50/hour + depending on experience, x 1.3 premium for the evening shift**

**Reports: to the Conversion Manager**

Kernow Coatings is a world class, market leading manufacturer of coated polyester for the print, ticketing, tagging and industrial market sectors.

Due to rapid business growth and increasing demand for our products, we are recruiting across a wide range of positions.

Applicants must be physically fit as these jobs require manual work, occasional heavy lifting and standing whilst machine minding and operating various equipment. Full training and all PPE will be provided.

Applicants must be able to follow written procedures accurately and ensure very exacting quality standards are met and maintained.

Essential skills: basic literacy and numeracy, able to work to detailed production programmes.

Applicants must also be flexible on the hours and shifts worked, with occasional Saturday overtime during periods of peak demand.

The core hours are 07.00 am to 3.30 pm on the day shift and 3.00 pm to 11.30 on the evening shift. Full training and PPE will be provided.

For highly motivated applicants, there are opportunities for further career progression.
