

KERNOWJET INTERIORS – STRUCTURED SILVER NON-WOVEN WALLCOVERING P170WCSV

The perfect canvas for creating stunning custom designs with a textured and elegant finish. The subtle silver texture adds depth and dimension to any space, creating a sophisticated ambiance that is both contemporary and timeless. Designed to be durable and easy to install, this wallpaper is perfect for a wide range of applications, including residential and commercial interiors, hospitality, retail, and more. With its exceptional print quality, our structured silver printable wallpaper works brilliantly with white ink layers to create added depth to any design.
