FLOORSHARK™ FOR DRY TONER

FloorSharK™ is the only dry toner floor graphic rigorously tested and certified for slip resistance with a unique shark-skin coating. It's perfect for indoor environments, and can be applied to all smooth and hard floors, including low pile carpet tiles. Unlike other floor graphics, FloorSharK™ doesn't shrink and there's no risk of the edge peeling or gumming up. Better yet, it's easy to remove – all in one piece and no residue.

WHY CHOOSE US?

Not only is FloorSharK™ Dry Toner perfect for directing the flow of store traffic and reminding customers of social distancing, you can also take advantage of instant advertising – right on the floor. Customize floor graphics with your logo or sale items to keep customers "on-top" of your brand. A perfect combination for safe and reliable graphics that are easy to print and apply.

FEATURES

– Unique sharkskin coating – R10 certified

– Great printability – fast drying

– No need to laminate – print & apply

– No shrinkage & no dirty edges

– Resists heavy foot traffic – from heels to trucks

– Bfl–s1 and EN 13501 fire ratings
