

KERNOWPRINT PRO METALIK® BOARD

Ensure you make the right first impression for your luxury event by using a metallic personalized invitation. Nothing says glamour more than the shine of KernowPrint PRO Metalik®, especially when combined with CMYK + White, or even clear toner, for added indulgence.

WHY CHOOSE US?

This metallic product has been used for invitations to the world's glitziest film premieres, music award ceremonies, and exclusive wrap parties. For best results, print the Metalik® Silver in combination with Color-Logic® to create hundreds of metallic effects!

METALIK®

FEATURES

- Exceptionally smooth finish provides high reflectivity, brilliant shimmer, and unmatched shine
- Produce instant special effects without the need for additional foil stamping or secondary processes
- Deliver eye-catching packaging, greeting cards, book covers, and invitations as easy as load, print, and deliver
- Available in stunning silver, shimmering gold, and luxurious copper
